- Tiered and promotional pricing based on sales.

What we ask of our dealers:

- Offer and stock CVP products for retail sales or repair services in your area at a commercial location.
- Maintain consistent and minimum ordering activity on a regular basis. ¹
- Respect the CVP brand by not repackaging our products or substituting alternate knockoff products.
- Dealers will not resell our products on eBay, Amazon or resell to any other third party dealer or reseller.

We no longer drop ship orders however, we will ship to your store so you may serve your customers.

Dealer access and pricing² will be provided upon dealer approval. We look forward to working with you.

¹ **CV Performance** reserves the right to restrict, deny or revoke dealer status if any business does not comply with our policies. CVP products may NOT be offered through third-party sites (Amazon, eBay, etc.) or advertised below MSRP online. Initial or first orders from new dealers require a minimum opening order > \$200, followed by quarterly sales activity of orders consisting of multiple quantities. Discount pricing is subject to change based on dealer purchasing volume and frequency. Contact CV Performance for details. Dealer policies are posted at: CV-Performance.com/dealer-terms
